Dear Mr Codona

WOODSIDE APPEAL DECISION

Thank you for your letter of 9 March addressed to Mr John Prescott, the Deputy Prime Minister. Mr Prescott receives a considerable amount of correspondence each day and is unable to answer it personally. Your letter has therefore been passed to this office as we handle planning matters in Bedfordshire.

I am sorry that you do not feel that you have had a fair hearing of your case. However, we are unable to comment further on this issue as, once the Secretary of State has reached his decision, he no longer has any jurisdiction in the matter and your only route to challenge his decision, or the process of the appeal, is through the High Court. You may wish to discuss this with Dr Kendrick who represented you and other families at the inquiry.

I understand from Mid Bedfordshire District Council that they are currently dealing with the issue of your homelessness and will not enforce the injunction against you until this is resolved. Any queries relating to your occupation of the site and housing needs should continue to be addressed to the Council.

Yours sincerely

Dawn Stokes
